

Privacy Policy

We place great emphasis on the protection of your privacy and data protection. We therefore inform you about the collection and use of personal data when using our website.

Collection and processing when using the contact form

When using the contact form, we collect personal data (individual data on personal or factual circumstances of a particular or identifiable natural person) only in the extent provided by you. We only use your e-mail address to process your request. Your data will be deleted if you have not agreed to further processing and use.

Collection, processing and use of personal data

We collect personal data (individual data on personal or factual circumstances of a specific or identifiable natural person) only in the extent provided by you.

Your personal data will be processed and used to fulfill your request and to process your inquiries.

After complete processing of the contract, all personal data will be stored first, taking account of tax and commercial storage periods and then deleted after expiration of the deadline if you have not agreed to the further processing and use.

Cookies

Our Internet pages use so-called cookies in several places. Cookies are small text files which are stored on your computer and which your browser saves. They are designed to make our offer of user- More effective and safer. Furthermore, cookies enable our systems to recognize your browser and provide you with services. Cookies do not contain personal data.
